CAPITAL WASTE SERVICES ACQUIRES ARD CONTAINER SERVICES TO PROVIDE COMMERCIAL AND ROLL-OFF OFFERING IN THE MIDLANDS

COLUMBIA, SC – January 6, 2017 – Capital Waste Services LLC (“CWS”) announced that it has acquired substantially all of the assets of Ard’s Container Service LLC, a commercial and roll-off hauler operating throughout the Midlands. Ard’s Container Service has built a strong presence and customer base over the last ten years and has a solid foothold in the market.

The acquisition by CWS will allow it to deploy its customer service focus to this new customer base and provide them with a “customer first” experience designed to ensure that the customers are receiving the best commercial and roll-off service in the Midlands. CWS intends to leverage its customer centric model to become a leading provider of service to commercial and roll-off customers throughout the Midlands.

Matt Parker will be leading the CWS commercial and roll-off team and is anxious to begin exceeding our customer’s expectations. To facilitate its ability to deliver high quality service, CWS will be investing heavily in both equipment and personnel. As we continue to transition the business from Ard’s Container Service to CWS, you will see new vehicles branded with the CWS logo and our customer service team looks forward to meeting with all of our new customers to make sure they are receiving great and timely service.

This acquisition complements CWS’s residential business in Richland County and allows it to leverage the high customer service reputation it has built for itself in the residential business.

About Capital Waste Services

Capital Waste Services LLC, based in Columbia, SC, is a leading provider of waste management services in the Midlands. Through its residential division, the company provides collection services to more than 25,000 homes in Richland County.
